## IN THE KEY OF ABC: PROMPTING A PLAYFUL, POETIC EXPLORATION OF WRITING IN COSMIC EDUCATION

We tell “The Story of Communication in Sign,” and we evoke gratitude for the Phoenicians who spread the alphabet throughout the ancient world. So the elementary children are initiated into the legacy of literacy. Join Elise Huneke-Stone for an exploration of writing in Cosmic Education. This workshop is an invitation to go beyond your training, to see new possibilities in your lessons, stories and prepared environment. Topics and activities include: Writing activities that engage the Human Tendencies; Stamp Game, Bank Game ... Proper Noun Game; Beyond the Record Book: Rethinking the Journal; Poetry and Song writing for Elementary Children; Paragraphs and Paracosms.
