

# EDUCATOR TO LECTURE

## Mme. Montessori Will Explain Her System of Teaching.

### MISS WILSON ON COMMITTEE

Motion Pictures Taken at Rome Will Be  
Shown in Connection With Lecture in  
This City Next Saturday Evening—S.  
S. McClure Will Speak in Different  
Cities on Her Tour.

Dr. Montessori will lecture at the Ma-  
sonic Temple next Saturday evening, in  
explanation of the Montessori system of  
education. This will be her first lecture  
in America and will be of national signifi-  
cance because of the interest which  
President Wilson and his family have  
taken in the Montessori school here. Miss  
Margaret Wilson is a member of the  
executive committee of the Montessori  
Educational Association, under the aus-  
pices of which Dr. Montessori is coming  
to this country.

Dr. Montessori will arrive in New York  
Wednesday. She will be met by a com-  
mittee from the headquarters of the as-  
sociation here and will be brought to this  
city as soon as she has rested from her  
voyage.

### Lecture to Be Illustrated.

Her lecture here, as elsewhere, will be  
illustrated by motion pictures taken at  
her school on the Ula Guisti in Rome.  
Mme. Montessori will deliver her lectures  
in Italian, but a competent interpreter  
has been engaged and none of the import  
of her tasks will be lost to those who  
do not understand Italian.

At each lecture S. S. McClure will  
speak from the same platform.

From Washington Mme. Montessori  
will go to New York, where she will  
speak at Carnegie Hall on the evening  
of December 8. On December 9 she will  
be in Philadelphia at the Academy of  
Music, and on December 11 she will speak  
at the Academy of Music in Brooklyn,  
under the auspices of the Brooklyn Insti-  
tute of Arts and Sciences.

Further than that Mme. Montessori's  
tour has not been outlined by the com-  
mittee in charge of her visit. She prob-  
ably will go to Boston, Pittsburgh, Cleve-  
land, and Chicago.
